

TTW Arts & Crafts Group met on Thursday Nov 3rd 2022.

Tricia Young led a Sacred Geometry workshop.

Tricia introduced the subject with a fascinating power point, & showed examples of sacred geometry all around us; in religious art, nature & the proportions of our own bodies...Using only a ruler, pencil & compass, Tricia taught us a simple sequence of steps to make a beautiful 6 fold petal pattern, which could be expanded to form a multitude of interlinked petals or adapted to make stars. The group rapidly discovered how quickly simple designs could become beautiful complex patterns, & how any initial minor glitches could rapidly become more major issues! The group had a very informative & enjoyable evening.

The next mtg A&C mtgs:

Thurs. Dec: Welly Community Centre, White Hart Lane, TA21 8HN

7.00 - 7.30 General Mtg. (You're very welcome to just come to this if you want).

7.30 upto 9.30 Workshop led by Freda Morton & end of term/Christmas get-together.

This session is going to be a bit different, with some Christmas nibbles & drinks & a Christmas themed workshop led by Freda. Freda is going to teach some origami, which could be used to make cards.

Ranju also suggested a round or two of Christmas themed Surrealist inspired 'exquisite corps' aka 'Consequences' with Christmas themed head, torso & legs!

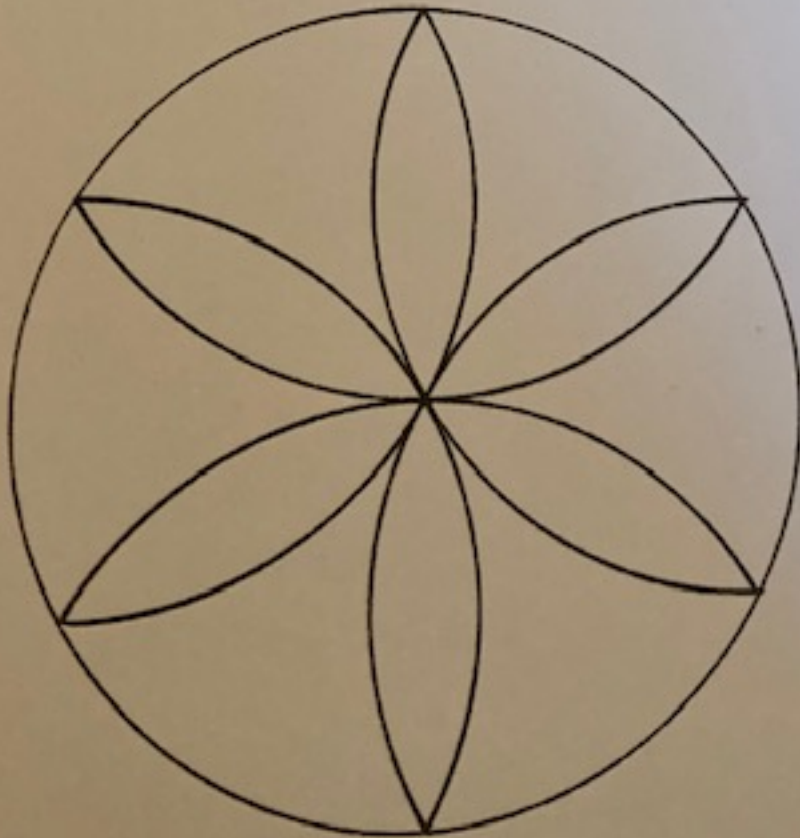

Costs: £5 for workshop. 50p for any beverages/biscuits consumed:)

Please get in touch with Lindy to book a place. (Priority to A&C members)

Text 07805099408 or lindy@yogamala.co.uk or A&C WA group.
