### **New Position: Treasurer:**

Anyone fancy being treasurer? Post currently entails simple tasks of: Collecting wk/shop money, paying teacher & hall hire. Lindy is currently doing it honestly, (honest!) but it's not really her forte & she hasn't kept any records, which wld prob be a good idea!

**Poss change of room at Welly Comm Centre:**

To the smaller, cheaper room where tables & chairs stay put! Lindy is looking into this.

**Mindful Drawing Workshop led by Peter Hine: 7.30 - 9.30:**

Peter led a most enjoyable, playful & pressure free session. He suggested unusual ways of mark making, such as drawing with our non dominant hand, eyes closed, not taking the pen off the paper, not looking at the paper... It was great fun, & also loosened up our habitual ways of thinking & trying to "get it right!". We were all generally surprised & delighted by the results.

**Next workshop: Change of Plan!**

**\*Sacred Geometry workshop now postponed to March.\***

**Feb 1st Workshop: 7.30 - 9.30**

**Lino Cutting Workshop:**

Lindy & Tricia will lead a lino cutting workshop instead.

Materials will be provided, but do bring your own if you want to.

1 or 2 colours.

Soft cut lino: Size: 105 x 100mm

Theme: Anything to do with nature.

I will provide bring along some images, but probably best if you come along with a clear idea of your design, as there isn't much time.
