Many thanks to Tricia for facilitating the general mtg.

Many thanks to Tricia for also facilitating the March workshop on Sacred Geometry!

Tricia continued the theme of the last workshop; the 6 pattern/petal Flower of Life. Tricia developed the 6 fold/petal pattern to the 4 fold/petal pattern. The 6 fold pattern, on one level, portrays Juptier's orbit in relationship to the Earth. It's amazing how rapidly the interconnecting simple shapes form complex & beautiful patterns. It was a very interesting, focused & enjoyable workshop - resulting in some converts to sacred geometry!

TTW & Rapid Transition Alliance (RTA) Evening @ Braziers Weds March 1st:

2nd in a series of events, (Air, Land & Water), hosted but the RTA.

The idea was to generate a nourishing culture of hope to support transitions to happier, healthier and low-carbon living. This was a fun, informal cultural evening on the theme of Land. There were drinks & tapas, live music, chanting, poetry, discussions on soil, examples of soil 'ring patterns', shamanic rituals and a beautiful, talented art display by A&C group members: Damien, Lindy, Peter, Sue (Ricard) & Tricia. Many thanks to all. It was one of those one-off, quirky, really enjoyable & unforgettable events!
