Grapes

Kiwi

Annual Allotment vegetables

Strawberries (and wild)

Jerusalem artichokes

Globe artichokes

Asparagus

Comfrey

Perennial leaves for salad (eg sorrel, salad burnet, chard, brassicas)

Do you have any other ideas or suggestions?

We will do our best to facilitate all the most popular ideas, however especially with things like the annual vegetables, we will need volunteers to help put this in place and run them.

If you or your group would like to get involved with anything to do with creating or using this community garden, please enter your contact details here.
